School Accountability Report Card

Reported Using Data from the 2015-16 School Year

Published During 2016-17

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2016-17)

Island School is proud of its history and tradition of being an outstanding school. The staff is dedicated to providing all students with instruction that is challenging and meets the New State Standards as well as the Next Generation Science Standards. Our motto "Strive for Excellence" is emphasized in our academic programs as well as our character education program, Character Counts! We are committed to providing a safe school with a positive learning environment for all of our students. We appreciate the support of our parents and community. We were honored with being named a California Gold Ribbon School June 2016 and California Distinguished School June 2014. Mission Statement: The Island Union Elementary School District is dedicated to providing a positive learning environment and a quality educational program that will develop the inherent capabilities of all students, help prepare them to be successful in high school, and be good citizens. To achieve this mission we strive to follow these goals. 1. The District will create a safe and positive school climate, recognize individual differences, and encourage each student to reach his/her full potential. 2. The District will provide strong instructional programs which are revised in a timely manner to ensure continued student achievement based on the changing needs of students. 3. The District will develop and maintain strong school, parent, community, business, and interagency partnerships.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

School Facility Conditions and Planned Improvements (Most Recent Year)

Island Elementary School provides a safe and clean environment for students, staff, and volunteers. The school facilities were built in 1958 and currently include the library, multipurpose room, staff lounge, nine permanent classrooms, ten portable classrooms, and a large playground.

Maintenance & Repair:

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. At the time of publication 100% of the school’s restrooms were in good working order.

We increased our parking area to include more spaces for staff, parents, and visitors. We repainted all of the doors and partitions by the buildings as well as repainting the Island Cardinal wall mural. We trimmed the large trees, removed a stump, and large tree roots that were liable to cause trip hazards. We added fresh chip to each of the play yard equipment areas. We added playground equipment for the 5th- 8th grade students at the end of the school year, May 30th.

The table displays the results of the most recent school facilities inspection.

Cleaning Process:

The district governing board has adopted cleaning standards for the district. The principal works daily with the maintenance and custodial staff of three to ensure a clean and safe school.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2016-17)

The School Board encourages parents to become an active partner in their child's education. The parents of Island Elementary School students support the school in the following ways:

- Volunteering in the classroom
- Serving on the School Site Council (SSC)
- Serving on the Migrant Advisory Council, English Advisory Committee (ELAC)/District English Advisory Committee (DELAC)
- Chaperoning for study trips
- Participating in the Title 1 meeting and responding to the Title 1 survey
- Participating in the Local Control Accountability Plan meetings
- Join the Boosters' Club-Parent clubs are organized for the purpose of assisting and promoting activities for the educational, social and physical welfare of pupils in the school district.
- Monitoring the playground
- Participate in Booster Club activities

Parents stay informed on upcoming events and school activities through our district website: www.islandcardinals.com, flyers, letters, school newsletters, teacher newsletters, Phonevite (automated telephone message delivery system), and Gradelink (online student information system). Contact the school office at (559) 924-6424 for more information on how to become involved in your child's learning environment.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

School Safety Plan (School Year 2016-17)

The safety of students and staff is a primary concern at Island Elementary School. The school is always in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The principal and the School Safety Committee update the School Site Safety Plan each year and then share any changes with the entire staff. The school's disaster preparedness plan includes steps for ensuring student and staff safety during an emergency. Fire drills are conducted each month, lockdown drills and earthquake drills each semester.

Student supervision is provided by classified staff before school, during recess, and after school. Yard supervisors monitor students during the lunch period. All visitors are required to adhere to the following rules:

- Sign in at the office
- Do not go directly to a classroom
- Obtain a visitor’s badge
- Wait for office personnel to direct you to the class
- Do not confront a teacher or interrupt a lesson

Types of Services Funded (Fiscal Year 2015-16)

Island School utilizes funding to support the variety of needs of our students. Some of the services include instructional aide support for students, and programs like: Orton Gillingham, Kate Kinsella's Academic Vocabulary, Step Up to Writing, Write Brite, online support such as: Sum Dog (ELA & Math), Accelerated Reader, Math in a Flash, School City assessment and data, and On Point mimio boards and rapid responders. All of which support our teaching and learning within each classroom. Additionally we purchased 1:1 chrome books for 4th-8th grade students and 1:1 ipads 2nd -3rd grade and 1:4 kindergarten and first grades. Our migrant students had tutoring after school for 6 weeks. We had a once week English immersion two weeks before school began for the k-3rd grade students that have only Spanish spoken at home to assist them in the transition to hearing only English at school, with transportation. We used Reading Eggs the online reading intervention web based site, as an intervention for kindergarten through 6th grade readers for one week in the summer and have continued to use now.

Professional Development (Most Recent Three Years)

Island Elementary School District believes that Staff Development is a critical component in the academic achievement, and in meeting the many needs of students. In order to maximize student learning, staff members must be continuously learning and improving their skills. Staff Development addresses the individual needs of teachers as well as school and district concerns. During the 2014-2015 school year, various opportunities for staff development were offered during all day pre-service training days, inservice trainings, release time from class for instructional planning/training, after school trainings, during our early release professional learning community afternoons by which professional development was delivered. Topics for staff development included:

- ELA professional development with our new curriculum.
- Professional Learning Community (PLC) training utilizing student data to drive instruction.
- Kagan Strategy training - training teachers in engaging students, and assisting them in a variety of cooperative learning structures to assist students in understanding and learning the content
- Go Math! Houghton Mifflin curriculum training
- New State Standards-based curriculum and instruction in English Language Arts
- New State Standards-based curriculum and instruction in Mathematics
- Strategies for teaching English Language Learners
- Integration of technology into the classroom
- Orton Gillinham review
- Google Classroom training
- Next Generation Science Standards introduction

In addition to the ongoing professional development opportunities offered, the District participates in the New Teacher BTSA Induction Program which is designed to improve the education of students and increase the classroom teachers' efficacy and capacity in delivering standards-based instruction.
